## KPR Commissioned New State of the Art Processing Plant with Cold Processing Technology

We are happy to announce that KPR has commenced the operations of the 'State of the Art' Processing Unit II. The advanced technology of cold processing adopted therein reduces the water consumption by 30% and eliminates the usage of Salt completely. This eco - friendly facility will economise the cost of production and enhance the Fabric quality with excellent colour uniformity. This new unit will further add value to the Garment Division.
